School Description

Rancho-Starbuck Intermediate School is located in the unincorporated area of southeast Los Angeles County. We are part of the Lowell Joint School District and serve over 800 students in 7th and 8th grade. Rancho-Starbuck was constructed in 1958 and has enjoyed continuous upgrades and maintenance over the years. Our school offers a well stocked, upgraded library and computer technology center with 45 computer stations for individual and classroom use. In addition, our campus offers a separate computer lab for student use with 40 computers. Our Science, Technology, Engineering, and Mathematics (STEM) lab is complete with 30 computer work stations and professional engineering software. Our STEM lab and Art Department use a 3D printer for instructional purposes. All classrooms provide chromebooks for students (1 to 1) and are Google Classrooms. Our technology is regularly updated including document cameras in every classroom. Aeries, a parent/student portal, keeps students and parents regularly updated regarding student progress.

The staff at Rancho-Starbuck School currently has 29 fully-credentialed teachers teaching in their subject area and two part-time educators. Our school team consists of three STAR resource center specialists, one moderate Special Day Class (SDC) classroom, a school psychologist, a part time English Language Development (ELD) teacher, a speech and language specialist, a part time choral music teacher and an instrumental music teacher. There are two administrators: a principal and assistant principal. A full time academic counselor is on staff. Additional support is provided by an office manager, school clerk, attendance clerk, a part-time nurse, full-time librarian, three STAR Center aides, instructional aides, three custodians, four noon duty aides and 3 days of counseling intern support.

Rancho-Starbuck Intermediate is known for its safe and orderly learning environment. The record of suspensions/expulsions is low and the school institutes a comprehensive school safety program. The staff places a high priority on developing responsible citizens through our Character Education and Responsibility * Effort * Attitude * Character * Honor (REACH) programs. Through this program, we emphasize the importance of each of these themes and we recognize students for their achievement. In addition to Rancho-Starbuck's strong academic program, we continue to provide outstanding programs in technology, music, art, drama, and a variety of elective offerings. Our instrumental music program is an award winning program receiving the Golden Bell award in the 2019-2020 school year. Rancho-Starbuck offers a STEM program complete with a technology lab and offers classes in Robotics, Advanced Computer Science and Music Production. Rancho-Starbuck also offers Design and Construction, a course where students actually design and build, getting a glimpse of future careers in construction. Rancho-Starbuck is proud to that our Advanced Computer Science course prepares students to take the AP Computer Science test at the end of the year. Each year we have junior high students pass the high school AP test, receiving college credit.

Our school offers a variety of leadership opportunities for students through our active ASB program. After school curriculum enrichment activities help to keep students involved and encourages each student to develop skills and interests including Jazz Band, Drumline, and Robotics. Additional after school opportunities include Science Olympiad, Junior Achievement, Competitive Drum Line, Yearbook and National Junior Honor Society. A mentoring program called REACH Circle offers students an opportunity to enjoy a mentor relationship with school staff and an opportunity to offer community outreach opportunities. After school sports offers our students another way to get involved on campus. A variety of after school sports are offered during three sport seasons. Rancho-Starbuck believes in fostering a school wide college atmosphere.

All students have an opportunity for success at Rancho-Starbuck. Flex, an award winning program, provides students the opportunity to have additional instruction during the school day. Students are also offered additional enrichment classes once standards are mastered. Learning Targets in core subjects help monitor student progress on state standards. Before school tutoring through Power Start is offered to all students. Intervention classes during the school day are offered in Math, ELD support for our Language Learners and a reading intervention class using Read 180 curriculum. Literacy is promoted across the campus, and there is a school wide focus on California State Standards and 21st century learning with an emphasis on writing skills through Thinking Maps and Write from the Beginning. The mission statement promotes the development of character, passion and academic excellence in all students. These characteristics are promoted in all areas on the Rancho-Starbuck campus. In addition, Honors students are offered an opportunity to be part of The Academy and/or the Conservatory of Fine Arts. Through this extension activity students will complete an 8th grade Capstone Project where their imagination and creativity can help them soar to new heights.

Rancho-Starbuck is proud to be a California Distinguished School, Gold Ribbon School and a four time recipient of the California Business for Education Award of Excellence. Rancho-Starbuck is a 2017 National School to Watch and a 2019 and 2020 Golden Bell recipient. Rancho-Starbuck has also been re-designated a national School to Watch in 2019-2020. Our staff is dedicated and nurturing; Rancho-Starbuck is a great place to be!

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rancho-Starbuck Intermediate School was built in 1958, and there are 44 classrooms on campus. We believe a safe and clean school is a fundamental necessity of a successful academic environment. Our Maintenance Department is proud to impart solutions and services integral to providing a safe environment conducive to learning. Safety inspections are held annually to ensure the maintenance of an optimal learning environment. The campus is well-manicured and lockers are refurbished yearly. Murals inside and outside of the campus add spirit and beauty to the campus. Front landscaping provides a welcoming appeal. Campus beautification is ongoing because we believe the appearance of our campus is important!

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	53	N/A	54	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Our parents work closely with Rancho-Starbuck Intermediate School to promote a positive environment and assist with the activities that make Rancho-Starbuck an exciting place to be. Our parent portal keeps parents regularly updated on individual student progress and school wide activities. We believe in the importance of strong parent partnerships on campus, and we are proud of our excellent Parent Teacher Association (PTA). We welcome our families through School Site Council (SSC), PTA, REACH, after school sports, and a variety of other parent involvement opportunities including Junior Achievement and Science Olympiad. Parent University, our 4 parent nights presented on campus each year, helps parents with cyber safety and social media, college entrance, bullying, and academic updates. Join us! We'd love to have you.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Rancho-Starbuck believes that there must be a safe and orderly school environment for optimum learning to take place. School rules are clearly communicated to both students and parents. There is a school-wide discipline plan and school rules are fairly and consistently enforced.

The campus is fully fenced to give protection from intruders. All visitors are asked to wear a visitor badge and sign in and out of the school through the use of the Raptor system. Rancho-Starbuck has monthly fire drills, quarterly earthquake drills, lock down drills, and the staff is trained in emergency procedures. We take a proactive approach to safety and include canine drug prevention visits to campus.

The School Safety Plan is annually reviewed and updated. The following implementations endorse the plan: campus emotional, moral and practical assistance such as guidelines for discipline, a strictly enforced dress code, and counseling support for social and emotional wellness. Through a myriad of support services including Mindful Monday, Olweus Bullying program, and Trojan Talks students have a voice on campus and the opportunity to problem solve and provide suggestions for improvement. This, along with an all staff effort to support students and an active parent support system, helps Rancho-Starbuck meet the needs of all students regarding safety and emotional health and wellness.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	4.58	1.8	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	12	14	20

All staff members participate in district-level staff development throughout the year. Explicit Direct Instruction has been implemented and on-going staff development in technology takes place. Argument writing has been a staff focus, and school wide writing rubrics have been developed. Professional development on California State Standards and implementation strategies are also on-going. Extensive training on Next Generation Science Standards has resulted in implementation of those standards in an integrated approach. School departments meet regularly to focus on the standards and provide differentiated instruction to our students. Staff members attend various professional development opportunities in their subject area and on overall student motivation at the junior high level. Rancho-Starbuck is a professional learning community that believes in the importance of staff collaboration. Weekly PLC staff collaboration helps create opportunities for staff to focus on student needs. The focus of staff development is always centered on student success at Rancho-Starbuck. With the addition of distance learning, considerable professional development has taken place on technology, distance learning and student engagement for the 2020-2021 year.

Types of Services Funded

Title II funds are designated to improve teacher quality and increase the number of highly qualified teachers. The program focuses on research based strategies to prepare and train highly qualified teachers. Title III funds are designated to ensure that students attain English proficiency and meet the same challenging academic achievement standards required of all students. Funds are used for translation, support services, instructional aides, supplemental books, and conferences. Supplemental dollars also traditionally fund before and after school tutoring/homework help, an Intervention Coordinator to monitor and support struggling students, the school Counselor, additional intervention courses in English Language Arts, Mathematics, and English Language Development as well as support for STEAM and AP Computer Science.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
