

Community Relations

Citizen Advisory Committees

The Board may establish citizen advisory committees to consider school problems and issues as the need arises or when required by law. Such committees shall serve in a strictly advisory capacity; they may make recommendations regarding Board policy, but their actions shall not be binding on the Board. The Board may dissolve any advisory committees not required by law at any time.

Advisory committees should include representation from all affected parties. With Board approval, the Superintendent or designee may appoint committee members.

Within budget allocations, the Superintendent or designee may approve requests for committee travel and may reimburse committee members for expenses at the same rates and under the same conditions as those provided for district employees.
