Complaints

The following guidelines shall prescribe the manner in which complaints are handled:

11. A "complaint" shall be defined as an alleged misapplication of the district's policies, regulations, rules or procedures. Procedures for the resolution of employee complaints provide a route of appeal through administrative channels and to the Governing Board, if necessary. If the complaint is related to discrimination, the district's procedure for complaints concerning discrimination should be used.

(cf. 4031 - Complaints Concerning Discrimination in Employment)

12. If a complaint involves sexual harassment, the initial complaint should be made directly to the offending employee's immediate supervisor. An employee is not required to resolve sexual harassment complaints with the offending person.

13. So as not to interfere with school schedules, meetings related to a complaint shall be held before or after the complainant's regular working hours.

14. All matters related to a complaint shall be kept confidential. Only those individuals directly involved in resolving the complaint shall be informed of the complaint.

15. All documents, communications and records dealing with the complaint shall be placed in a district complaint file. No such material shall be placed in an employee's personnel file.

16. No reprisals shall be taken against any participant in a complaint procedure by reason of such participation.

17. Time limits specified in these procedures may be reduced or extended in any specific instance by written mutual agreement of the parties involved. If specified or adjusted time limits expire, the complaint may proceed to the next step.

18. Any complaint not taken to the next step within prescribed time limits shall be considered settled on the basis of the answer given at the preceding step.
