Student Use of Technology

The Board of Trustees intends that technological resources provided by the district be used in a responsible and proper manner in support of the instructional program and for the advancement of student learning.

- (cf. 0440 - District Technology Plan)
- (cf. 1113 - District and School Web Sites)
- (cf. 4040 - Employee Use of Technology)
- (cf. 6010 - Goals and Objectives)
- (cf. 6162.7 - Use of Technology in Instruction)
- (cf. 6163.1 - Library Media Centers)

Definitions

“Technology” includes computers, tablets, the Internet, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, such as iPod’s, USB drives, wireless access points (routers), or any wireless communication device.

“District Technology” is that which is owned or provided by the District.

“Personal Technology” is non-District Technology.

Use of District Technology

The District provides Technology for a limited educational purpose. This means students may use these resources for classroom activities and other school-related work. Students may not use District Technology for commercial purposes; students may not offer, provide, or purchase products or services using District Technology. Students may use District Technology only for class assignments or for personal research on subjects similar to what they might study in a class or in the school library. Use for entertainment purposes or personal communication, such as personal blogging, instant messaging, on-line shopping or gaming is not allowed.

The Superintendent or designee shall notify students and parents/guardians about authorized uses of district computers and consequences for unauthorized use and/or unlawful activities.

- (cf. 5125.2 - Withholding Grades, Diploma or Transcripts)
- (cf. 5144 - Discipline)
- (cf. 5144.1 - Suspension and Expulsion/Due Process)
- (cf. 5144.2 - Suspension and Expulsion/Due Process: Students with Disabilities)
- (cf. 5145.12 - Search and Seizure)

Use of Personal Technology

Use of Personal Technology may violate this Policy if the District reasonably believes the conduct or speech will cause actual, material disruption of school activities. This Policy and accompanying Administrative Regulation will provide students with guidance in order to avoid such disruption.

On-Line Services/Internet Access

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that blocks or filters Internet access to visual depictions that are obscene, child pornography, or harmful to minors, and that the operation of such measures is enforced. (20 USC 7001, 47 USC 254)

The Board desires to protect students from access to harmful matter on the Internet or other on-line services. The Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet. He/she also shall establish regulations to address the safety and security of students when using electronic mail, chat rooms and other forms of direct electronic communication.

The Superintendent or designee shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting personal information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying.

Disclosure, use and dissemination of personal identification information regarding students is prohibited.

Staff shall supervise students while they are using on-line services and may ask teacher aides and student aides to assist in this supervision.

Acceptable Use Agreement

Before students are authorized to use District Technology and/or bring personal mobile devices to school or school activities, they and their parent/guardian are required to sign and return the Acceptable Use Agreement. Parents must agree not to hold the District or its personnel responsible for the failure of any technology protection measures, violations of copyright restrictions, user mistakes or negligence, or any costs incurred by users. Parents also will acknowledge they may be held liable for damages caused by their child's intentional misuse of District or Personal Technology.

Oversight

In order to help ensure that the district adapts to changing technologies and circumstances, the Superintendent or designee shall regularly review this policy, the accompanying administrative regulation and other procedures. He/she shall also monitor the district's filtering software to help ensure its effectiveness.

Access to Social Media Sites

The District does not permit students to access social media sites, such as Facebook, Twitter, LinkedIn, YouTube, and MySpace, using District Technology.
