### **Closed Session Purposes and Agendas (continued)**

including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Litigation is considered "pending" when any of the following circumstances exist:

1. Litigation to which the Board is a party has been initiated formally. (Government Code 54956.9(a))
2. A point has been reached where, in the Board's opinion based on the advice of the Superintendent and/or legal counsel and on the existing facts and circumstances, there is a significant exposure to litigation against the district, or the Board is meeting solely to determine whether, based on existing facts or circumstances, a closed session is authorized. (Government Code 54956.9(b))
3. Based on existing facts and circumstances, the Board has decided to initiate or is deciding whether to initiate litigation. (Government Code 54956.9(c))

"Existing facts and circumstances" authorizing a closed session pursuant to Government Code 54956.9(b) as described in item #2 above are limited to the following: (Government Code 54956.9)

1. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiffs and which do not need to be disclosed.
2. Facts and circumstances including, but not limited to, an accident, disaster, incident or transactional occurrence which might result in litigation against the district, which are already known to potential plaintiffs, and which must be publicly disclosed before the closed session or specified on the agenda.
3. The receipt of a claim pursuant to the Tort Claims Act or a written threat of litigation from a potential plaintiff. The claim or written communication must be available for public inspection.

(cf. 3320 - Claims and Actions Against the District)

## **Board Bylaws**

### **Closed Session Purposes and Agendas (continued)**

5. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting.

The above record does not need to identify an alleged victim of tortious sexual conduct or anyone making a threat on his/her behalf or identify an employee who is the alleged perpetrator of any unlawful or tortious conduct, unless the identity of this person has been publicly disclosed.

Before holding a closed session pursuant to this section, the Board shall state on the agenda or publicly announce the subdivision of Government Code 54956.9 under which the closed session is being held. If authority is based on Government Code 54956.9(a), the Board shall either state the title or specifically identify the litigation to be discussed or state that doing so would jeopardize the district's ability to effectuate service or process upon unserved parties or to conclude existing settlement negotiations to its advantage. (Government Code 54956.9)

Agenda items related to "pending litigation" shall be described as a conference with Superintendent and/or legal counsel regarding "existing litigation" or "anticipated litigation." (Government Code 54954.5)

"Existing litigation" items shall identify the name of the case specified by either the claimant's name, names of parties and case or claim number, unless the Board states that to identify the case would jeopardize service of process or existing settlement negotiations. (Government Code 54954.5)

"Anticipated litigation" items shall state that there is significant exposure to litigation pursuant to Government Code 54956.9(b) and shall specify the potential number of cases. When the district expects to initiate a suit, items related to anticipated litigation shall state that the discussion relates to the initiation of litigation pursuant to Government Code 54956.9(c) and shall specify the potential number of cases. The agenda or an oral statement before the closed session may be required to provide additional information pursuant to items #2-5 above. (Government Code 54954.5, Government Code 54956.9(b)(3)(B-E))

## **Board Bylaws**

### **Closed Session Purposes and Agendas (continued)**

Closed session agenda items related to liability claims shall specify the claimant's name and the name of the agency against which the claim is made. (Government Code 54954.5)

(cf. 3320 - Claims and Actions Against the District)  
(cf. 3530 - Risk Management/Insurance)

When the board of the joint powers agency has so authorized and upon advice of district legal counsel, the Board may meet in closed session in order to receive, discuss and take action concerning information obtained in a closed session of the joint powers agency. During the district's closed session, a Board member serving on the JPA board may disclose confidential information acquired during a closed session of the JPA to fellow Board members. (Government Code 54956.96)

The Board member may also disclose the confidential JPA information to district legal counsel in order to obtain advice on whether the matter has direct financial or liability implications for the district. (Government Code 54956.96)

Closed session agenda items related to "Conference Involving a Joint Powers Agency" shall specify the closed session description used by the joint powers agency and the name of the district representative on the joint powers agency board. Additional information listing the names of agencies or titles of representatives attending the closed session as consultants or other representatives shall also be included.

(cf. 6162.5 - Student Assessment)

Agenda items related to the review of student assessment instruments shall state that the Board is reviewing the contents of an assessment instrument approved or adopted for the statewide testing program and that Education Code 60617 authorizes a closed session for this purpose in order to maintain the confidentiality of the assessment under review.
